Motion to call the Public Hearing to Order: 5:30pm- Supervisor Dave Spilman Jr

Supervisor Spilman reads the published public hearing notice from Tribune Press- attached.

Councilman Conklin gives explanation on changes of the water law. Specifically and most significantly the way we doing the billing for the trailer parks. Currently the owner has no idea who owes what until it's relayed to taxes.

New procedure will be a first notice to tenants, then a second notice to the landlord and will eliminate the burden on Bookkeeper Diane Kelley from doing shut offs. It will be the landlords responsibility to get them to pay or to have the town shut the water off.

Grammatical and language clean up included in the changes of the water law but nothing significant.

No public participation.

Motion to adjourn public hearing: Eldon Conklin 2nd motion: Curran Wade
